TUTTI

Introduction

We are committed
to the highest standards:

- HACCP system since 2000
- EU health mark (HU 251) since 2004
— enabling full EU-wide distribution
- IFS Food Safety & Quality certification
since 2005
- HALAL certified production
since 2015

About us

40 years of experience in powder technology, such as manufacturing, product developing, and designing, focusing on private labelled products.

Thanks to our agile and professional team and scalable production, we deliver reliable quality from concept to shelf.
